

# Join the Paper Parade

held in conjunction with VIMS Marine Science Day at  
The Virginia Institute of Marine Science on Saturday, May 17th 2008.

Anybody, any age, can join in by wearing costumes of aquatic life they've created.

Individuals, Groups, or Classes are all welcome.

## The Rules:

Costume must represent marine animals or plants, and be made primarily from paper.  
Paper mache is optional. Other materials/mediums can be used in addition to paper.  
Entry deadline: April 10th. Names of Participants/Groups will be listed in the event program.
